## Nasson Health Care

### Dentist

#### Job Description

**REPORTS TO:** Dental Program Director

**STATUS:** Exempt; Full time

**PAY GRADE:** Unclassified

**PURPOSE:**

The Dentist works collaboratively with a team of health professionals to provide comprehensive primary medical, dental and behavioral health care to patients while utilizing the Patient-Centered Medical Home model of care delivery.

**RESPONSIBILITIES:** Delivery of Dental Services

1. Provides direct clinical services in accordance with the highest standards of dentistry practice and in full accordance with health center policies and protocols.
2. As appropriate, engages in screening, assessment, diagnosis, treatment, and self-care planning for individuals referred for dental services.
3. Collaborates with members of the practice team to manage the care of patients with high-risk and complex conditions; embraces and carries out elements of the integrated care model adopted by YCCAC/Nasson.
4. Assures access for continuity of care through appropriate referrals for sub-specialty and inpatient services.
5. Engages population health strategies to identify and address health needs among various segments of the patient population.
6. Completes charting after each visit and assures that patients receive accurate visit summaries at check-out.
7. Makes optimal use of the electronic dental and medical record systems; assures clear communication with other providers serving the same patient, accurate submission of diagnostic and procedural information for billing and reporting purposes and consistent capture of structured data to support panel management and quality assurance efforts.
8. Fully embraces and carries out all applicable NCQA Patient Centered Medical Home standards and Federally Qualified Health Center requirements.
9. Collaborates with other members of the practice team to prepare for patients' office visits and assure that all indicated services are planned and delivered.
10. Actively engages in ongoing panel management activities; routinely scans patient records for gaps in care and takes steps to assure that appointments are scheduled and all indicated services are delivered.
11. Actively participates in quality assurance and improvement activities.
12. Consistently achieves productivity targets.
13. Maintains licensure and participates in continuing educational activities sufficient to maintain required breadth of knowledge regarding the current standard of practice for dental care and specifically for the populations served by YCCAC/Nasson.

14. Complies with all applicable federal, state, local and YCCAC/Nasson statutes, regulations, rules, protocols and procedures governing the practice of dental care, personnel issues, work place safety, public health and confidentiality.
15. Displays a professional manner and image when representing YCCAC/Nasson to patients, professional colleagues and the community.
16. Demonstrates the ability to prioritize and perform multiple functions.
17. Performs other duties as assigned, or as necessary to fulfill the position.
18. Must not have an active record on the System for Award Management (SAM) website.

**QUALIFICATIONS:**

1. DMD or DDS degree from an accredited school in the U.S.
2. Unrestricted Maine license to practice dentistry as well as a U.S. Drug Enforcement Agency license.
3. Experience in clinical practice, primary care medical practice preferred.
4. Demonstrated management skills and sound judgment.
5. Proficiency in the use of at least one electronic dental record system, one Meaningful Use-certified electronic medical record system and basic Microsoft applications.
6. Ability to apply critical thinking skills in performing patient assessment and care.
7. Demonstrated respect for cultural diversity in serving patients and families and in collaborating with other members of the practice team.
8. Working knowledge of the core concepts of:
  - a. Evidence-based practice
  - b. Social and behavioral determinants of health
  - c. Population-based care
  - d. Integration of medical, behavioral health and dental care
  - e. Meaningful Use of health information technology
9. Willingness to work some non-traditional hours, e.g. evenings and weekends, and coordinate time off with other program staff.
10. Ability to travel between YCCAC/Nasson’ clinical sites.

Qualifications and responsibilities are essential functions of the job. *Essential functions (EF) are the work tasks that employers do not have to change when making reasonable accommodations.*

**Responsibility for Safety and Health:**
