Public Transportation Options for
York County
MAINE

All information is subject to change.
Having reliable transportation provides each of us the ability to get to where we need to go: work, shopping, and services everyone needs to thrive. We recognize that this is important to you and your family, and for the communities in which we live.

At York County Community Action (YCCAC), we offer a range of transportation options, open to the general public, for people of all ages, to help meet your transportation needs. These include:

**Public Transportation Routes**
- **Local Rides.** Shopping and non-emergency medical rides including cancer treatment.
- **WAVE.** Sanford to Wells, and Sanford to Biddeford, with scheduled transportation to work, training and for shopping and medical.
- **Shoreline Explorer.** Summer trolley and shuttle services along York County’s coastline and year-round service from Sanford to Wells on the Orange Line.
- **Sanford Transit.** Year-round service from Springvale to South Sanford.

**Contracted Transportation**
- Children and families receiving case management from DHHS, Child Development Services and other private contracts.
- Medical, non-emergency transports that cannot be served on public transportation routes. Available on a limited basis.

**Meeting Individual Needs**
Service animals are allowed on all YCCAC buses and vans as long as they are under the control of the rider. Portable oxygen equipment handled by a rider will be accommodated. YCCAC vehicles meet ADA requirements.

**Weekly Local Rides**
Routes have been designed to serve the closest regional shopping and medical destinations for each town served. Riders are usually picked up at their homes with a return trip an hour or more later.

Follow these easy steps and we may be able to help you get to your shopping, medical appointments and other errands.
1. - Find your town
2. - Match the color to the chart below
3. - Call for fare and to make a reservation
4. - Make your appointment for that day
