What’s new to this round of rent relief?
This program update offers the following:
- This program can now cover up to 18 months of your rent payments (instead of 15 months).
- This program covers eligible renters who had financial difficulty during the pandemic (instead of because of the pandemic).

- **Apply by paper application:** You can download the application above and print it. Mail or drop off your completed application and copies of the documents you need to apply to your local CAA. You can also call MaineHousing at 1-800-452-4668 and we can mail you a paper copy.

What is the deadline to apply?
Applications will be accepted on a rolling basis through September 2022.

What information do I need to apply?
Both tenants and landlords need to provide information when applying. However if you are a tenant and your landlord will not participate, we can send the payment to you. Please read this whole section. You need to provide income verification documents, proof of residence, proof of how much you pay each month for rent, your landlord contact information, and utility bills you need help with if you are applying for utility assistance.

**INCOME VERIFICATION:**
You have a few options to submit your income verification.

- If you receive assistance such as HEAP, SNAP, EBT, TANF, WIC, or Headstart services: You ONLY need to submit an approval letter or payment stub from the agency that administers the assistance. The date on the letter or payment stub needs to be after January 1, 2020.

- If you do not receive that kind of assistance, you will need to provide your 2020 annual household income OR your current monthly household income:

<table>
<thead>
<tr>
<th>2020 Annual Income Option Items:</th>
<th>Current Monthly Income Option Items:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Your household’s annual income for 2020.</td>
<td>Your household’s monthly income as of the application date.</td>
</tr>
<tr>
<td>2020 IRS Form 1040s for all household members 18 years or older OR</td>
<td>Submit your household’s last month’s wage statements, pay stubs, interest statements, unemployment benefit statements (available on DOL ReME account), and other income proof for all household members 18 years or older</td>
</tr>
<tr>
<td>Wage statements, pay stubs, IRS Form W-9, IRS Form 1099 and Schedule C if self-employed, interest statements, Form 1099 G or benefit statements from DOL ReME account if unemployed, and other income proof for all household members 18 years or older</td>
<td></td>
</tr>
</tbody>
</table>
If you qualify using the 2020 Annual Income Option and need help from this program later you will not need to provide this information again.

If you qualify using the Current Monthly Income Option and need help from this program later you will need to provide your monthly household income again.

**Residence & Rent Amount Proof**
You need to provide your lease if you have one. If not, you can use a utility bill to prove your residence and rent payment receipts as proof of how much rent you owe. If you can’t provide these documents we will reach out to your landlord to confirm your residence and how much you owe.

**Utility Assistance Proof**
You will need to provide utility bill(s) or notice you need help with.

**Landlord Information**
Make sure you have the name, phone number, and email address for your landlord or property management company who will receive the payment, if approved.

You can tell your landlord that they will need to fill out a W-9 form and a separate application. The Community Action Agency (CAA) will send them the application to fill out and sign. The rent payment cannot be made to your landlord until they provide the W-9 form and signed application to your local CAA. You do not need to worry about W-9 forms from utility companies.

**Does my landlord need to send any documents?**
Yes. If you do not have a lease or rental agreement, your landlord will need to prove that they own the property. They can use a tax receipt or the property deed. If you have a property management company, they will need to prove they manage the property.

Your landlord will also need to send in a W9 and fill out a separate application/attestation. Your landlord will get an email when your application is pulled from the system that provides them with this information.

**What happens after I submit my application?**

**If you apply online:**
After you submit your application, the system will send you to a page with more information about what comes next. Once your CAA pulls your application in, you will get an email that they are processing it. This could take 4-6 weeks. You will also get an email when the CAA approves or denies your application for payment. Maine’s Community Action Agencies (CAAs) run the program locally and you should call them if you have questions. Click here to find your local CAA.

**If you apply with a paper application:**
You will get an email if you included it in your application or a phone call. They will call you or email you when they get your application and email or call you to tell you if they have approved or denied your application.
How will my landlord get paid?
After you submit all of your documents and your landlord has submitted all their documents the CAA reviews and approves eligible applications. Then the payment will be sent to the landlord as soon as possible via check or direct deposit. You will be notified when your application is approved.

How do I prove that I am having a hard time paying my rent or utilities?
All you need to do is show past due notices for utilities or rent. If you are caught up on rent but need help for the next few months when you submit your application you are signing a legal document saying you need help. We cannot pay future utility bills because we have to have the current statement to pay the utility company.

I don’t have a scanner and only have paper versions of the documents I need to apply. What do I do?
You can take a photo with your cell phone and send them to your local CAA either through a link they send you or by email. You can also photocopy the documents and drop them off or send them to your local CAA in the mail.

I need help filling out the application. Can someone help me?
Yes. You can call your local CAA and they can do the application over the phone with you. You can also ask a family member or friend to help you fill it out online.

These agencies can also help applicants fill out the application:
Cumberland & York Counties: ProsperityMaine
Androscoggin & Kennebec Counties: Immigrant Resource Center of Maine

What if I am denied? Can I appeal the decision?
Yes. If you want to appeal the decision, you may call the CAA who denied your application and tell them you want to appeal. A different person at the CAA will review your application. If they make the same decision, you may appeal through MaineHousing by calling us at 1-800-452-4668.

The Emergency Rental Assistance Program can pay for rent and some utilities owed back to March 13, 2020. The program will also cover up to three months of upcoming rent at one time. If you live in subsidized housing (Section 8/have a housing choice voucher) you need to apply each month. Utilities include electricity, water, sewer, trash, heat, and internet.

The program can also cover late fees for rent as long as the late fees are legal and part of your lease. You may apply for help with paying for utilities even if you do not need help paying for rent. However you do need to apply for help with rent to apply for help paying internet costs.

There is no monthly cap on eligible rent relief. If you are eligible the program will pay the rent payment agreed to in your lease. For example, you can apply in August 2021 and the application could cover September, October, and November 2021 rent AND any back rent you owe. This program can cover up to a total of 18 months of your rent and/or utilities.

Will I still be able to get help paying my rent after the first three months the program covers?

No. We need the current statement or bill to pay your utility company.

Landlord Frequently Asked Questions

What do I need to do if I have tenants applying?
Your local CAA will send you a short, standardized application to fill out and sign. You can see a sample agreement here. You will also need to provide a W-9 if you have not participated in previous rent relief programs. You will also need to provide the lease or rental agreement between you and
the tenant applying for the program. If you do not have a lease or rental agreement, you will need to send proof that you own the property (like a deed or tax bill). If your tenant submits an application, your local CAA will send you an email or call you and let you know how to submit the documents. You must provide your tenant with copies of your signed program documents.

You need to reply to the CAA within a certain number of days: 10 days if they call or email you, or 14 days if they contact you by mail. If you do not reply in that timeframe, your tenant will get the program funds instead.

**Can I apply for rent relief on behalf of my tenants?**
You may help tenants complete their application. You may also start the process by calling your local CAA and asking for a landlord application. From there, you will fill it out and submit it. Your CAA will contact your tenant.

No.

**How will I get paid?**
Depending on what information you provided on the application and agreement, you will receive funds via Direct Deposit or check.

**What if I decide I don’t want to participate?**
We hope that landlords want to participate in the program but we cannot require that you do. However, your tenant may apply for this program without you and get the funds. If you do not want to participate, please let the CAA know when they contact you.

**What if my tenant refuses to participate? Can I still apply on their behalf?**
We hope that tenants participate but we cannot make them apply. You may not apply on their behalf.

**Can my tenant appeal the decision if their application is denied?**
