## **Case Manager**

52 weeks a year; 40 hours/week

The Economic Opportunity Case Manager will participate in an innovative strategy to meet client social needs in order to improve their health outcomes and overall well-being. The CM will work with clients who receive a social service ‘diagnosis’ from Nason Health Care and other medical providers. The CM will identify the full scope of social service needs, develop a plan to meet those needs and implement the plan. This includes providing information about services, helping clients access services, helping complete forms/applications, advocating for clients and following up with them. The Case Manager will:

- Use a client-centered approach, including meeting clients where they are, client-driven goal setting, shared plans that reflect the client’s priorities, partnering with clients to implement the plans, and motivating and supporting clients to meet their goals.
- Support clients in accessing needed social supports and addressing barriers.
- Develop a network of services and resources tailored to clients’ needs.
- Participate as a team member with Nason staff and maintain a working relationship with Nason providers.

Applicants must have a Bachelor’s Degree in a medical, social services or human services field; A LSW, LCSW, MHRT, nursing degree or other medical or clinical experience is preferred; Has or is able to develop the complex care core competencies identified by the Camden Coalition of Healthcare Providers and the National Center for Complex Health & Social Needs; Demonstrated case management experience; Must have the ability to communicate effectively, exercise sound judgment and efficient decisions.  
Must not have an active record on the System for Award Management (SAM) website.
