

York County Community Action Corp.

Nasson Health Care

Nasson Health Care is a community-based health center located in Springvale, Maine. Our dedicated and highly-qualified medical, dental and behavioral health providers are committed to providing a professional and compassionate healthcare experience.

Medical Assistant

40 hours/week; 52 weeks/year

The Medical Assistant works collaboratively with a team of health professionals to provide comprehensive primary care to all patients while utilizing the Patient-Centered Medical Home model of care delivery. Collaborates with other members of the practice team to prepare for patients' office visits and assure that all indicated services are planned and delivered. Supports the attainment of optimal, patient-centered outcomes defined by a care planning process between providers, patients, and patients' support members. Carries out new patient orientation session and prepares patients for provider visits. Assists with examinations, procedures and treatments. Performs in-office diagnostics, treatments according to practice guidelines and a variety of routine blood drawing procedures. Processes lab specimens and prepares and administers medications and immunizations.

Applicants must have associate degree in Medical Assisting or diploma from an Approved Practical Nursing Program. Experience in a primary care medical practice preferred. Capable of applying critical thinking skills in performing patient assessment and care. Demonstrated proficiency in using the electronic medical record and practice management systems. Ability to work as part of a team that supports integration of medical, behavioral health and dental care.

Visit our web site at www.yccac.org for an application. All applicants must complete an application with their resume. Completed packets will be accepted until January 14, 2022 and may be reviewed upon receipt.
